**Subject:** Microsoft Settlement

To Whom it May Concern,

I would like to comment under the Tunney Act on the proposed settlement of the United States vs. Microsoft antitrust case. I realize that you have to go through a lot of material, so in order to be as brief as possible I would like to echo the comments made by Dan Kegel, which can be viewed at:

<http://www.kegel.com/remedy/letter.html>

I support his overall comments on the proposed settlement and would like to add my voice to his.

Thank you,

John Fulton
